Milano - Locarno 16.09.2015 - The Hotel Belvedere Locarno offers especially now being autumn season, an attractive golf package, in which not only the accommodation with a rich breakfast- buffet, free WIFI and a small golfers gift is included but also the green fee for the Golf Club Gerre-Losone (18- holes) is for free.

The golf course is located in Ticino only a ten-minutes drive away from Hotel Belvedere and is a real challenge with long holes and tricky obstacles. All you need is handicap 36 and off you go over water and trenches with a wide variety of different greens. The place is fairly new but already popular for Swiss golf professionals who train here regularly. You'll find an exceptionally large driving range and a top-kept Golf-Club that even won the Swiss Golf Award „Course of the Year“ last year. Often eagles are circling above the greens, and next to hole six you see birds, similar to flamingos, standing in the water. The hole 18 probably is the biggest challenge of the whole golf-course.

In the early evening, after the efforts on the Green, the body can recover during one of the massages, the Belvedere offers. Afterwards you can dine in one of the restaurants: Be it "à la carte" or as part of a booked half board. During summer season, guests can enjoy regional cuisine also under palm trees, accompanied by the quiet murmur of the ancient fountain of 1815th.

Hotel Belvedere is only a five-minute walk from Locarno's old city center and Piazza Grande. The funicular railway, Locarno-Madonna del Sasso, presents a comfortable option for reaching the city. The hotel has its own stop "Belvedere". Through the funicular railway and aerial cable car one can discover Monte Cardada – starting point for varied hikes. Other activities include touring Lake Major with its popular swimming, biking and golfing attractions. The airport Lugano-Agno, 40 km distant, lies within an easy 45-minute car ride. The airport Milan-Malpensa is positioned 110 km south.
